## **BIM Skills You'll Master**

Revit Architecture & MEP

AutoCAD Advanced

Clash Detection

Point Cloud Integration

Digital Twins

Navisworks Coordination

BIM Project Management

4D & 5D BIM

## **Industry-Focused BIM Curriculum**

Learn Building Information Modeling skills that matter most in today's AEC industry

## **Expert BIM Mentorship**

Learn from BIM professionals at WSP, AECOM, and Arup with real project experience

## **PRODUCTIVITY GAINS**

Productivity gain is one of the major benefits of using Elite BIM and is the top metric organizations expect to improve when they adopt the technology. Primarily, BIM realizes this gain through its ability to:

Minimize project management.

Faster communication and coordination.

Identify errors early.

Reduce rework.

Reduce cost.

Improve quality.
